

ATTENTION

Kentucky DPH Certified Septic System Installers

Attending specific education courses at the
2010 Pumper & Cleaner Environmental Expo International
can earn you **Continuing Educational Units (CEU)**

The world's largest annual convention and trade show for liquid waste management and sewer/drain cleaning professionals will be held in **Louisville, Kentucky, February 24-27, 2010**. The Kentucky Department for Public Health has approved the courses listed below for credit towards Continuing Educational Units.

Here's what you need to do after registering for the Expo:

1. SCAN YOUR BADGE.

You will need to have your Expo badge scanned at a station located in the back of the seminar room.

3. PICK UP YOUR "ATTENDANCE RECOGNITION" CERTIFICATE.

After each seminar, pick up your "Attendance Recognition Certificate". These certificates are your proof of attendance, so don't lose them!

2. SIT BACK, RELAX AND LEARN!

THE FOLLOWING COURSES HAVE BEEN APPROVED FOR KENTUCKY CEUs

<u>Topic Titles</u>	<u>Date and Day</u>	<u>Time</u>	<u>CEUs</u>
Decentralized Systems the Next Wave in Our Industry	Feb. 24, Wed.	8:00-9:00	1 CEU
Sampling Protocols and Methods for Alternative Technologies	Feb. 24, Wed.	8:00-9:00	1 CEU
Wastewater Characteristics	Feb. 24, Wed.	8:00-9:00	1 CEU
Soils and Site Evaluation Overview	Feb. 24, Wed.	9:30-10:30	1 CEU
Dealing with Restaurant or High Strength Waste	Feb. 24, Wed.	9:30-10:30	1 CEU
Septic Tanks: A Gift that Keeps on Giving	Feb. 24, Wed.	9:30-10:30	1 CEU
Selling CIOWTS Cert. to Installers & Regulators: Getting Everyone	Feb. 24, Wed.	11:00-12:00	1 CEU
O & M for ATUs	Feb. 24, Wed.	11:00-12:00	1 CEU
Working Effectively in a Family Business Culture	Feb. 24, Wed.	11:00-12:00	1 CEU
Septic Tank Overview: Functn, Design, Constr., Insp., & Trblshooting	Feb. 24, Wed.	11:00-12:00	1 CEU
Aerobic Treatment Units	Feb. 24, Wed.	1:00-2:00	1 CEU
Creating your Own Competitive Edge	Feb. 24, Wed.	1:00-2:00	1 CEU
O & M for Drip Irrigation	Feb. 24, Wed.	1:00-2:00	1 CEU
Softeners and Onsite Systems	Feb. 24, Wed.	1:00-2:00	1 CEU
Adv. Wastewater Treatmt Systems - This is What They are & This...	Feb. 24, Wed.	2:30-3:30	1 CEU
Creating an Outrageously Successful Company -- Part One	Feb. 24, Wed.	2:30-3:30	1 CEU
What to Expect When the EPA Comes A-Callin'	Feb. 24, Wed.	2:30-3:30	1 CEU
Media Filters	Feb. 24, Wed.	2:30-3:30	1 CEU
Women in Business: Panel Discussion	Feb. 24, Wed.	4:00-5:00	1 CEU
Pumps and Controls	Feb. 24, Wed.	4:00-5:00	1 CEU
A Template for Keeping your Employees Trained	Feb. 24, Wed.	4:00-5:00	1 CEU
Creating an Outrageously Successful Company -- Part Two	Feb. 24, Wed.	4:00-5:00	1 CEU

How to Shop your Insurance Effectively	Feb. 26, Fri.	11:00-12:00	1 CEU
Onsite Wastewater Effluent Disinfection	Feb. 26, Fri.	11:00-12:00	1 CEU
The Role of Bacteria & Bioaugmentation in Grease Traps & Septic Syst.	Feb. 26, Fri.	11:00-12:00	1 CEU
Sonde and Utility Line Locating Techniques	Feb. 26, Fri.	11:00-12:00	1 CEU

Certified Onsite Installer Course Info:

In reference to the Certified Onsite Installer Course which is offered Thursday 8:00AM-5:00PM, this course has been **Approved** for 6 (six) CEUs with a few stipulations. First this **does not replace** the required application and testing process for certification in Kentucky. Each attendee (that chooses to become certified to install systems in Kentucky) of this Installer Course must still make application and pass the Onsite Sewage Disposal Systems Test which is given through their local county health department in Kentucky or the Frankfort, Kentucky office. Second, if the attendee took the Certified Onsite Installer Course at the 2008 or 2009 Pumper & Cleaner Expo they **will not** receive CEU credit for repeating it again this year. It is imperative that this information is provided to all attendees **prior** to their attendance in this Certified Installer Course.

For more continuing education information, or for seminar schedule, visit our website at www.pumpershow.com or call 800-257-7222.
