

Nebraska Department of Environmental Quality

The following portions of the program are approved as per Section 009 Of Chapter 20 Title 124 Rules and Regulations for the Design, Operation and Maintenance of Onsite Wastewater Treatment Systems.

SSCSC	02/27/12		
Evaluating and Optimizing the Efficiency of a Combination Truck			1 PDH*
CCTV Inspection Essentials			1 PDH
WJTA	02/27/12		
Accessorizing Your Vacuum Unit			1 PDH
Good Craftsmen Have Heavy Toolboxes			1 PDH
Waterjet Technology: Applications and Equipment			1 PDH
NAWT	02/27/12		
What I need to Know About Trucking Safety			1 PDH*
Setting the Dose			1 PDH
Certification and Septic System Inspections			1 PDH
Is There Value in Processing My Own Sludge			1 PDH*
Maintenance Frequency Standards and Requirements			1 PDH
Working with Small Communities			1 PDH
NEHA	02/27/12		
Promoting Competence			1 PDH*
Septic Tank Science			1 PDH
Advanced Treatment - What does it mean?			1 PDH
Successfully Dosing Pipe Networks			1 PDH
Pump Replacement			1 PDH
The State of the Industry			1 PDH*
NOWRA	02/27/12		
Aerobic or Anaerobic, Which is Better?			1 PDH
Mound Systems - Not just for Wisconsin			1 PDH
How Overuse of Cleaners and Household Products Kill			1 PDH
Onsite Electrical			1 PDH
Managing Commercial WW Treatments			1 PDH

NOWRA	02/27/12	
Choosing the Right Float to Control Your Pump		1 PDH
Managing Cluster/Community System		1 PDH*
Telemetry for Cost-Effective System Management		1 PDH*
Maintenance by Contract		1 PDH*
NASSCO	02/27/12	
Sewer and Industrial Equipment Rental		1 PDH*
WasteWater Education/NOWRA/OWRA	02/27/12	
Social Media: Friend or Foe		1 PDH*
Social Media: Taking it to the Web, Infinity and Beyond		1 PDH*
Business/Scott Hunter	02/27/12	
Keeping Employees and Customers Happy Part One		1 PDH*
Keeping Employees and Customers Happy Part Two		1 PDH*
Keeping Employees and Customers Happy Part Three		1 PDH*
How to be Successful and Profitable Part One		1 PDH*
How to be Successful and Profitable Part Two		1 PDH*
Sewer and Drain Track	02/28/12	
Contractors Need to Improve Jetting Sales		1 PDH*
Lift Station Backup Pumping		1 PDH
Business Track	02/28/12	
Market Like the Green Bay Packers		1 PDH*
Training is the Key to Unclogging a Messy Business		1 PDH*
How to Make Profits that Drop Straight to the Bottom Line		1 PDH*
Portable Track	02/28/12	
Service Trucks		1 PDH*
Liquid Waste Track	02/28/12	
What You Should Know About ATU's		1 PDH
From the Kitchen to the Grease Trap to the Landfill		1 PDH
The Evolution of Effluent Filters		1 PDH
Installer Track	02/28/12	
All Day Onsite Installer Course		8 PDH's
Installer Track	02/29/12	
Installation and Operation of Float Switches		1 PDH
STEPping Up		1 PDH
Measuring Gravity Sewer Flow Accurately		1 PDH
Business Track	02/29/12	
Septic, Sewer & Portable Business Valuation Basics		1 PDH*
Mobile Marketing		1 PDH*
Inexpensive Marketing, Promotion and Advertising Ideas		1 PDH*

Gas, Oil and Mining **02/29/12**

Vacuum Equipment in the Marcellus Shale Region

1 PDH

How To Vacuum More Efficiently

1 PDH

Industry Safety **02/29/12**

Is The Air in Your Manhole or Confined Space to Breathe?

1 PDH*

OSHA: Introduction to Soil Analysis

1 PDH*

Approved Courses with an asterisk (*) are subject to the restrictions of Title 124-Chapter 20, 009.06 which states that a maximum of two professional development hours in each two-year certification cycle may be from pre-approved courses peripheral to the actual activity of the on-site wastewater industry if it is related to the business of contracting for such services such as business tax law, accounting or insurance, or the safety and protection of work activities from physical or environmental hazard.
