## Pennsylvania Certified Wastewater Operators

Attending specific seminars at the  
**2010 Pumper & Cleaner Environmental Expo International**  
could earn you your **Contact Hours** towards continuing education!

The world's largest annual convention and trade show for liquid waste management and sewer/drain cleaning professionals will be held in **Louisville, Kentucky, February 24-27, 2010**. Educational seminars listed below have been approved by the Pennsylvania Department of Environmental Protection for hours toward continuing education for Pennsylvania Certified Wastewater Operators.

### Here's what you need to do after registering for the Expo:

**1. SCAN YOUR BADGE.**

You will need to have your Expo badge scanned at a station located in the back of the seminar room.

**2. SIT BACK, RELAX AND LEARN!**

**3. PICK UP YOUR "ATTENDANCE RECOGNITION" CERTIFICATE.**

After each seminar, pick up your "Attendance Recognition Certificate" You will then need to write the Course ID# on your certificate (see session list below). These certificates are your proof of attendance, so don't lose them!

### THE FOLLOWING HAS BEEN APPROVED FOR CONTACT HOURS

Please utilize the course names and session identification numbers when completing the roster reports, to be submitted to DEP, for each session.

Each one-half day conference session must equal at least 2.5 hours of continuous active session time, not counting breaks and mealtimes. A maximum of 2 contact hours may be awarded over a 24-hour period for conference attendance, unless additional DEP-approved training courses are attended during the 24-hour time frame.
