

Wisconsin Department of Commerce

Has given approval to anyone who holds a Master Plumber, POWTS Inspector or POWTS maintainer credential.

The Master Plumber will receive 12 hours of continuing education credit assuming he/she attends the full trade show.

The two POWTS categories (POWTS Inspector Cert. and POWTA Maintenance Registration) will receive 5 hours of continuing education each, assuming he/she attends the full show.

Approval Number: 12065
